ImmuCore® is designed to provide a multiple mechanistic approach to support immune system health. This formula features Ultra Potent-C®—developed for enhanced cellular uptake of vitamin C—combined with zinc, vitamin D, and a concentrated blend of mushroom extracts.*

Directions: Take one tablet daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warnings: Do not use if pregnant or nursing.

Caution: If taking medication, including anticoagulants or antihypertensive medications, consult your healthcare practitioner before use. Do not exceed recommended dosage or take for more than three consecutive months. Keep out of the reach of children.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
