MetaKids® Multi is a convenient, great-tasting formula kids will love. Each soft chew provides 15 essential vitamins and minerals to help meet the nutritional needs of growing, active children along with unique phytonutrients from fruit and vegetable powders.*

Directions: For children age 4 and over, take one chew per day or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: Excess vitamin A intake may be toxic. Children under age nine should not exceed 900 mcg of preformed vitamin A (retinyl palmitate) per day. Not recommended for children under 3 years of age due to risk of choking. Use under adult supervision. Keep out of the reach of children.

Tamper Evident: Do not use if package is torn or open.

Storage: Keep in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
