

THE WORLD'S MOST ADVANCED CHOICE FOR MUSCLE AMPLIFICATION & RECOVERY[▲]

The future is clear. The culmination of a decade of research and over a dozen clinical studies, Clear Muscle[®] contains a revolutionary compound designed to increase protein synthesis and decrease muscle breakdown. It'll help you recover more quickly, so you can train more often. Clear Muscle[®] is the most advanced muscle and strength builder available for those who aren't afraid to push limits. It's time to get ahead – if you knew just how effective Clear Muscle[®] was, this critical supplement would already be a part of your regimen.[▲]

- Accelerate Recovery[▲]
- Boost Performance[▲]
- Amplify Strength[▲]
- Increase Max 1-Rep Bench Press and Squat Strength[▲]
- 3.5x the Muscle Growth[▲]

RECOVER FASTER & REDUCE MUSCLE BREAKDOWN[▲]

Clear Muscle[®] is packed with BetaTOR[®], a unique metabolite and free-acid HMB derivative of leucine – the most powerful amino acid. By building on the recovery benefits of traditional amino acids, this supplement leads to better performance, strength, endurance and lean muscle growth. One clinical study on BetaTOR[®] showed that subjects increased protein synthesis by more than 70% and reduced muscle breakdown by 58% at the same time. Clear Muscle[®] is proudly engineered to unlock your abilities, exceed your potential, achieve maximum performance and reach peak power.[▲]

PROVEN PERFORMANCE INCREASE: A randomized, double-blind, 12-week clinical study at a leading university measured the vertical jump power and Wingate peak power of well-trained individuals using the exact dose of BetaTOR[®] found in Clear Muscle[®]. The results showed an increase in their overall performance and recovery from intense training. Subjects who combined BetaTOR[®] with exercise also gained 16.3 lbs. of lean muscle, while the placebo group gained only 4.6 lbs. That's 3.5 times the muscle growth![▲]

Supplement Facts

Serving Size: 1 Liquid Softgel Capsule
Servings Per Container: 84

Amount Per Serving	% Daily Value
BetaTOR [®] (beta-hydroxy-beta-methylbutyrate free acid)	1,000mg †
Betaine anhydrous	250mg †

† Daily Value not established.

Other Ingredients: Glycerin, Modified Food Starch, Carrageenan, Sorbitol, Purified Water, Natural Flavors. **Contains coconut ingredients.**

Directions of Use: Take 1 serving (1 softgel) 3 times daily (in the morning, midafternoon and evening). On workout days, take 1 of these servings 30 minutes before training. Do not exceed 3 servings (3 softgels) in a 24-hour period. To maximize your results, use the exact same training protocol as the subjects in the 12-week study. Visit muscletech.com/trainhard

Warning: For adult use only. Do not use if pregnant or nursing. Consult a medical doctor before use if you have a medical condition and before starting a diet or exercise program.
KEEP OUT OF REACH OF CHILDREN.

Do not use if packaging has been tampered with.
Store in a cool, dry place (60°F to 80°F).
