

Source Naturals **GREEN COFFEE EXTRACT** is a source of powerful antioxidants that help protect against oxidative stress caused by free radicals - thought to be a factor in aging. Derived from raw, unroasted coffee beans, green coffee extract has been shown in research to support normal cellular regeneration and growth. Chlorogenic and caffeic acids, two primary compounds responsible for the activity of green coffee, are present in Source Naturals **GREEN COFFEE EXTRACT**.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

GREEN COFFEE EXTRACT

POWERFUL NATURAL ANTIOXIDANT*
500 MG • 30 TABLETS

Supplement Facts

Serving Size 2 Tablets

Servings Per Container 15

	Amount Per Serving	%DV
Calories	5	
Total Carbohydrate	1 g	<1%*
Calcium	100 mg	10%
Green Coffee Bean Extract	1 g	†
Yielding Chlorogenic Acids (40-50%)	400-500 mg	
(10-14% caffeine)		

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: dibasic calcium phosphate, sorbitol, stearic acid, modified cellulose gum, silica, and magnesium stearate.

Suggested Use: 1-2 tablets 1 to 2 times daily. Each tablet provides the amount of chlorogenic acids found in an average cup of coffee.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. Each tablet has less than 70 mg of naturally occurring caffeine, which is equivalent to 1/2 cup of coffee.
