DIETARY SUPPLEMENT

HUPERZINE A

FOR LEARNING AND MEMORY*

200 MCG • 120 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving
Huperzine A	200 mcg†
(Huperzia serrata leaf standardized extract)	
†Daily Value not established.	

Other ingredients: microcrystalline cellulose, and stearic acid.

Huperzine A is a natural compound extracted from the Chinese club moss *Huperzia serrata*. Worldwide studies have shown that Huperzine A supports learning and memory by protecting acetylcholine, a neurotransmitter that acts as a messenger molecule in the brain. Huperzine A may be used for both short-term "brain boost" needs, such as preparing for a test, as well as more long-term needs, such as reducing the mild memory loss associated with normal aging.*

Suggested Use: 1 tablet 1 to 2 times daily.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
