*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: stearic acid, modified cellulose gum, silica, and natural peppermint flavor.

Contains shellfish (shrimp and crab).

Suggested Use: 2 tablets twice daily.

Contains no yeast, dairy egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.

WARNING: If you are pregnant, may become pregnant, breastfeeding, or regularly taking any drug such as acetaminophen, warfarin (Coumadin®), or heparin, consult your health care professional before taking this product.

HYALURONIC JOINT COMPLEX™ is a comprehensive formula that combines hyaluronic acid with glucosamine, chondroitin, MSM, and manganese ascorbate. These ingredients are important building blocks for healthy joints and connective tissues. Hyaluronic acid is a major component of joint tissue. It helps to hold lubricating moisture in joints and cartilage, which affects their resilience, elasticity, and strength. BioCell Collagen® is a patented hyaluronic acid, which has undergone an absorption enhancing hydrolyzation process that yields low molecular weight hyaluronic acid, chondroitin sulfate, and Collagen Type II peptides.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

BioCell Collagen® is a registered trademark of Biocell Technology LLC, Anaheim, California USA (US patents 6,025,327; 6,323,319; 6,780,841; other US and foreign patents pending).

OptiMSM® is a registered trademark of Cardinal Associates, Inc.
