

This scientifically advanced formula features selective kinase response modulators (SKRMs) in the form of RIAA, berberine, and vitamins D and K to help nutritionally support healthy bone remodeling during the aging process. Recommended for use with Bone Builder®—an advanced bioactive formulation for bone mineralization support.*

Directions: Take one tablet twice daily, or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warning: Do not use if pregnant, nursing, or taking cyclosporine.

Caution: If taking medications consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
