

Ultra Potent-C® Chewable is a proprietary formulation designed to be gentle on the stomach and well-tolerated at high doses. Our vitamin C has been scientifically developed to enhance the absorption of vitamin C by white blood cells, a vital part of your immune system, when compared to ascorbic acid. One great-tasting tablet provides the same amount of vitamin C found in four oranges.*

Directions: Children 3 to 7 years: One tablet daily. Children over 7 and adults: One tablet one to two times daily or as recommended by your healthcare practitioner.

This product is non-GMO, gluten-free and vegetarian.

Caution: Keep out of the reach of children.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
