

UltraClear Plus® pH is formulated to provide advanced, specialized support for balanced metabolic detoxification, including macro- and micronutrients to address liver function. Featuring potassium citrate and sesame oil, this formula helps to promote alkalization and support Phase II liver detoxification function. UltraClear Plus pH also features glycine and magnesium sulfate to support Phase II detoxification activities, as well as green tea catechins, vitamin C, and beta-carotene to provide antioxidant protection. Provided in a base of 13 g OptiProtein® (10 g of rice protein plus 3 g of added amino acids) this formula provides well-rounded nutritional support.*

Directions: Shake canister before scooping. Blend, shake, or blendy stir about 2 level scoops (44 grams) of UltraClear Plus pH into 8 fluid ounces of chilled water or juice twice daily or as directed by your healthcare practitioner. For highly sensitive individuals, consider reducing consumption to 1/2 to 1 scoop with 4 to 5 ounces of chilled water or juice twice daily during the first 3 to 4 days before starting a full daily dose.

Warning: Excess vitamin A may contribute to a risk of birth defects. Pregnant women and women who may become pregnant should not exceed 3,000 mcg of preformed vitamin A (retinyl palmitate) per day unless instructed to do so by a healthcare practitioner.

Caution: Do not use if you are pregnant or nursing, have hyperkalemia or abnormal kidney function, or you are taking ACE inhibitors, angiotensin receptor blockers (ARBs), or potassium sparing diuretics. If taking other medication, consult your healthcare practitioner before use. Keep out of the reach of children.

This product is non-GMO and gluten-free.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
