L-LYSINE is an essential free-form amino acid, which acts as a precursor for other amino acids, including L-carnitine (needed for fat metabolism). L-Lysine is crucial to the formation of collagen, a major part of the body's connective tissues. L-Lysine also contributes to energy production when converted to acetyl coenzyme A, one of the principal fuels for the Krebs Cycle.*

Suggested Use: 1 to 2 tablets daily.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.
