AMINO ACID SUPPLEMENT

FREE-FORM POWDER

L-LYSINE

NET WT. 3.53 OZ. (100 GRAMS)

Supplement Facts

Serving Size 1/2 Teaspoon

Servings Per Container 73

	Amount Per Serving
L-Lysine (HCl)	1.36 g†
†Daily Value not established.	

L-Lysine is an essential amino acid which acts as a precursor for several other amino acids, including L-citrulline (needed in the body for normal protein metabolism) and L-carnitine (needed for fat metabolism). L-Lysine is crucial for the formation of collagen, a major part of the body's connective tissues. L-Lysine also contributes to energy production when converted to acetyl coenzyme A, one of the principal fuels for the Krebs cycle.*

Suggested Use: 1/4 to 1/2 teaspoon daily between meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no starch, salt, preservatives, or artificial color, flavor or fragrance.
