Phytosterol Complex	937 mg	†
Yielding:		
<i>beta</i> -Sitosterol	375 mg	†
Campesterol	187 mg	†
Stigmasterol	131 mg	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, silica, magnesium stearate, modified cellulose gum, and stearic acid.

Contains soy.

Suggested Use: 1 tablet just before or with a meal (not after).

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Phytosterols are natural components of many vegetables and grains. Preliminary scientific evidence suggests that plant phytosterols may help to support cholesterol wellness when consumed as part of a low cholesterol dietary program. The three main phytosterols in phytosterol complex are *beta*-sitosterol, campesterol, and stigmasterol. They are natural, safe, and derived entirely from plant sources.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
