DIETARY SUPPLEMENT

MEGAFOLINIC™

BIOACTIVE FORM OF FOLIC ACID*

800 MCG • 240 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Folate	800 mcg	200%
(as calcium folinate [folinic acid])		

Other ingredients: microcrystalline cellulose, stearic acid, and magnesium stearate.

Suggested Use: 1 tablet daily.

Source Naturals **MEGAFOLINIC™** is a highly bio-available source of folic acid that helps the body build healthy red blood cells. It supports healthy brain and neurological development along with healthy cell division. Folinic acid does not require the enzymatic conversion that folic acid does so there is enhanced effectiveness for many people. Research suggests that folinic acid is more bio-available than folic acid because it is more rapidly converted into L-methylfolate.*

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegans and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
