Supplement Facts Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Biotin	5,000 mcg	16,667%

Other Ingredients: Cellulose, Vegetable Cellulose Capsule, Stearic Acid, Silica and Magnesium Stearate.

Discussion: Biotin is an essential B Vitamin that plays a vital role in supporting healthy hair, skin and nails. This two-stage, timed-release formula is designed to release half of the Biotin rapidly and the other half gradually over a period of up to 8 hours,** which may help extend the availability of the Biotin to the body over a longer period of time.

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
