DIETARY SUPPLEMENT

MSM

(METHYLSULFONYLMETHANE)
POWDER

NET WT. 35 OZ. (1,000 GRAMS)

Supplement Facts

Serving Size 1/2 Teaspoon (approx. 2.6 g)

Servings Per Container 384

Amount Per Serving	
MSM (methylsulfonylmethane [OptiMSM®])	2.4 g†

†Daily Value not established.

MSM serves as an important source of bioavailable dietary sulfur, a mineral that plays a critical role in maintaining the integrity and elasticity of connective and other tissues. It is an important component of proteins found throughout the body, such as in hair, nails, skin and tendons. MSM is a naturally occurring form of organic sulfur found mainly in protein-rich foods such as eggs, fish and lean meat. Taking MSM each day helps to replenish the body's supply of sulfur.*

Suggested Use: 1/2 teaspoon daily, briskly stirred or blended with 8 ounces of water or juice.

STORE IN A COOL, DRY PLACE.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Packaged by weight, not by volume. Settling may occur.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
