†Daily Value not established.

Other ingredients: stearic acid, colloidal silicon dioxide, and modified cellulose gum.

Contains gluten.

Suggested Use: 1 to 2 tablets twice a day between meals.

Source Naturals **MUSHROOM IMMUNE DEFENSE™** is a blend of mushroom mycelia and extracts from 16 of the most well-studied species of health-supportive mushrooms. Although the exact mechanisms of action in the body are not yet fully understood, researchers propose that constituents of these mushrooms may support natural killer (NK) cell, T-cell, and macrophage activity, and cytokine production.* By carefully combining these mushrooms and fortifying them with extracts, Source Naturals MUSHROOM IMMUNE DEFENSE offers a broad-spectrum, high potency, complete mushroom product.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

††Consists of MaitakeGold 404® which is a registered trademark of the Tradeworks Group, Inc. U.S. Patent number 5,854,404.
