DIETARY SUPPLEMENT

NUTRADROPS™

QUERCETIN

SEASONAL BIOFLAVONOID COMPLEX

2 FL. OZ. (59.14 mL)

Supplement Facts

Serving Size 2 Droppers (approx. 2 mL)

Servings Per Container 29

	Amount Per Serving
Quercetin	134 mg†

†Daily Value not established.

Other ingredients: purified water, glycerin, natural orange flavor, xanthan gum, lactic acid, stevia extract, lecithin, lauric arginate, and potassium benzoate.

Contains soy.

Quercetin is a bioflavonoid similar to rutin. Human cell culture studies with quercetin demonstrated its capability to inhibit the release of histamines. * **NUTRADROPS™ QUERCETIN** provides quercetin in a liquid base that is easily absorbed.

Directions: 1-2 droppers as desired. Place liquid under the tongue, allow to remain for 30 seconds, and swallow before swallowing.

SHAKE WELL BEFORE USING.

CAUTION: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. Quercetin will stain fabrics. Be sure dropper is aimed towards the underside of the tongue before dispensing liquid.

Do not use if tamper-evident seal is broken or missing. Keep out of the reach of children.

NutraDrops™ is Source Naturals trademark for Lipopure™, a trademark of ABCO Labs.
