

ALLMAX COLLAGEN + BIOTIN & VITAMIN C

ALLMAX Grass Fed and Pasture Raised Collagen Protein is derived from Hydrolyzed Collagen Protein Peptides (Types I, II & III). Collagen is essential for production of connective tissue and provides support for healthy joints, hair, nails and skin. ALLMAX Collagen also has the added benefit of Vitamin C that aids in the synthesis of Collagen along with Biotin for extra support in the formation of healthy hair, nails and skin.*

This unflavored collagen powder can be used in smoothies, shakes or recipes (hot or cold) and provides over 90% protein to boost collagen!*

PREVENT - Fight back against stiff and sore joints by supplementing with Collagen and Biotin. A diet supplemented with Collagen can also promote a better digestive system and maintain heart and brain health.*

REPAIR - Collagen is vital in maintaining good joint and connective tissue health. Collagen can also aid in strengthening your bones. The addition of Vitamin C helps repair tissue and maintain bones and joints. Biotin promotes skin, hair and nail strength.*

REJUVENATE - Collagen plus biotin promotes healthy skin, hair and nails. Age decreases the body's ability to produce collagen, supplementing with collagen helps restore skin's natural elasticity and appearance, reducing the signs of aging.*
