DIETARY SUPPLEMENT

PTEROSTILBENE

SUPPORT FOR HEALTHY AGING*

50 MG • 60 CAPSULES

Supplement Facts

Serving Size 1 Capsule

	Amount Per Serving
Pterostilbene (pTeroPure®)	50 mg†
†Daily Value not established.	

Other ingredients: microcrystalline cellulose, hydroxypropyl methylcellulose (capsule), maltodextrin, and magnesium stearate.

pTeroPure® Pterostilbene is 99% pure pterostilbene, a compound that occurs naturally in small amounts in fruits such as blueberries, huckleberries and grapes. Pterostilbene is similar in structure to the anti-aging compound resveratrol, but is more bioavailable and preliminary research indicates that in some ways, it may be even more beneficial. Preliminary research shows that pterostilbene may help with healthy cognitive function and may support glucose levels already in a normal range.*

Suggested Use: 1 capsule daily.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, or taking any prescription drugs (especially for diabetes or glucose imbalance), consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
