†Daily Value not established.

Other ingredients: microcrystalline cellulose, dibasic calcium phosphate, stearic acid, modified cellulose gum, silica, and magnesium stearate.

PYCNOGENOL® AND GRAPE SEED EXTRACT is a potent combination of two powerful natural antioxidants - Pycnogenol®, extracted from French maritime pine bark (*Pinus maritimus*) and Proanthodyn™, extracted from grape seeds (*Vitis vinifera*).

Both compounds are rich in proanthocyanidins, a special class of water-soluble bioflavonoids which are excellent free radical scavengers. Proanthocyanidins are believed to play an important role in maintaining good health.*

Suggested Use: 2 to 4 tablets daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
