WARNING: If you are taking anti-coagulant medications or any prescription drugs consult your physician before use. Not for use by women who are pregnant, may become pregnant, or breast-feeding. Do not use this product if you have or develop abdominal pain, watery or increased stools, or diarrhea.

Source Naturals **RESVERATROL 200™** contains 200 mg of pure resveratrol, a compound produced by grapes and other plants for protection from environmental stresses. Recent studies have demonstrated that resveratrol activates SIRT 1 genes, which mimic the healthy aging benefits of caloric restriction. Resveratrol may support heart health by providing the antioxidant protection needed for healthy circulation, and by inhibiting inflammation messengers including NF kappa B.*

Do not use if either tamper-evident seal is broken or missing.

Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.
