WHOLE BODY™ SYSTEMIC VEGETARIAN
AND DELAYED RELEASE ENZYME*

120 CAPSULES

*Dietary
Supplement*

Supplement Facts

Serving Size 2 Capsules
Servings Per Container 60

Amount Per Serving	
Serrapeptase	120,000 SPU†
SPU (Serrapeptase Units)	
† Daily Value not established.	

Other ingredients: maltodextrin, Hypromellose (capsule), pectin, purified water, medium chain triglycerides.

Contains milk and soy.

Serrapeptase is an enzyme that preliminary evidence suggests is active systemically and may support a healthy inflammation response. Preliminary evidence also suggests that when taken orally, this enzyme may reduce the viscosity of mucus in the respiratory tract. Serrapeptase is provided as a delayed release vegetarian capsule, designed to provide the most benefit.*

Suggested Use: 1 to 2 capsules twice daily as needed on an empty stomach with at least 8 ounces of water.

CAUTION: Do not take if you are pregnant, may become pregnant, breastfeeding, or if you suffer from any gastrointestinal disorders such as ulcers. Consult your health care professional before taking this product if you are taking any drug that affects blood coagulation such as prescription vitamin K, heparin, warfarin (Coumadin®), or aspirin. Discontinue use if nausea, diarrhea, or other intestinal discomfort occurs.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, egg, gluten or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
