Supplement Facts

Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Schizandra (<i>Schisandra chinensis</i>) (berry)	580 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule.

Discussion: Schizandra's bright red berries have a long history of use in Traditional Chinese Medicine, where it is referred to as the "five-flavored seed" because it tastes sour, bitter, sweet, acrid and salty. Schizandra is known as an adaptogen, a unique class of herbs that support the body's ability to adapt to stress.[†]
