*Percent Daily Values (%DV) are based on a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: sorbitol, stearic acid, modified cellulose gum, and silica.

Contains soy.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, or have epilepsy, please consult your health care professional before taking this product.

SKIN ETERNAL™ contains five key ingredients that together nourish the skin and support healthy skin tissue. Ascorbyl palmitate, the cornerstone ingredient, is a fat-soluble vitamin C ester that can help promote healthy antioxidant activity in the skin and support the integrity of collagen. alpha-Lipoic acid is a powerful fat- and water-soluble antioxidant that helps recycle the antioxidant vitamins C and E. As antioxidants, vitamins C and E destroy free radicals that may damage hair, skin, and nails. Skin Eternal also contains grape seed extract, which scavenges superoxide and other free radicals, and DMAE, which may increase skin firmness, according to preliminary science.*

Suggested Use: 2 tablets 1 to 2 times daily with meals. A healthy diet rich in essential fatty acids, along with adequate hydration, is essential for healthy skin. We recommend drinking a minimum of 8 glasses of pure water daily.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
