Amount Per Serving	% Daily Value
--------------------	---------------

White Willow (<i>Salix alba</i>) (bark)	400 mg
---	--------

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule and Organic Rice Extract Blend.

Discussion: White willow is a deciduous tree native to central and southern Europe. The bark of the white willow tree has a long history of use as a medicine dating back to ancient Egypt and Greece. White willow bark was one of the first herbs to be scientifically studied. The bark contains a glycoside known as salicin, believed to be the source of its health benefits.
