Research shows that turmeric root supports the normal metabolic inflammatory response by helping the body to inhibit the production of COX-2 enzyme. **TURMERIC 1000™** provides a highly potent 1,000 mg per tablet of curcuminoids, the active ingredient. Turmeric supports the liver and its detoxifying properties, and has powerful antioxidant activity. Turmeric is difficult to absorb, so BioPerine® and bromelain are added to enhance bioavailability.*

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
