**Suggested Use:** 1 heaping 1/4 measuring teaspoon mixed in water or juice as desired, preferably with a meal.

**NOTE:** If you are pregnant, may become pregnant, or breast-feeding, consult with your health care professional before using this product.

**ULTIMATE ASCORBATE C™ POWDER** contains vitamin C as a blend of five fully reacted mineral ascorbates. Ascorbate C is a natural and better form of vitamin C than ascorbic acid because it is pH neutral, making it gentler on the digestive system. It is also more easily absorbed and utilized than ascorbic acid, and provides key minerals which may aid vitamin C metabolism. Vitamin C plays a vital role in collagen formation, amino acid metabolism, hormone synthesis, and the body's immune system.\*

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
