NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

This all-vegan softgel is an ideal source of the *omega*-3 essential fatty acids EPA and DHA. Unlike less efficient forms of vegan *omega*-3s like flax seed oil, it is more active. It does not require a difficult metabolic conversion process in the body. EPA and DHA support healthy brain, cardiovascular and immune system functioning. Made from algae, **VEGAN TRUE™ NON-FISH OMEGA-3s** is also a sustainable alternative to overfishing the oceans.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegans and vegetarians. Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, salt, preservatives, or artificial color, flavor or fragrance.
