alpha-Amylase	5,225 SKB†

PC (Neutral Protease)

FIP (Federation Internationale Pharmaceutique)

SKB (Sandstedt, Kneen & Blish)

†Daily Value not established.

Other ingredients: cellulose (capsule) and magnesium stearate.

Suggested Use: 1 capsule with water at the beginning of each meal (or open capsule and sprinkle over food). If the meal is very large or unusually high in fat or protein, a second capsule can be taken after eating. Do not sprinkle on hot food.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Source Naturals **VEGETARIAN PANCREATIN** is a broad-spectrum plant-based enzyme blend. It includes protease for protein breakdown, amylase for starch breakdown, and lipase for fat breakdown. Unlike pancreatin derived from animal sources, vegetarian pancreatin works at a wide range of pH levels to break down food in the acidic stomach as well as the more neutral intestines. Plus, vegetarian pancreatin can help digest wheat gluten, which may increase stomach and intestinal comfort. Supplementing the body's digestive process with enzymes is of great value in today's fast-paced society.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

Suitable for vegetarians. Contains no dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
