**BIOACTIVE FORM FOR BONE
AND IMMUNE HEALTH***

2 FL. OZ. (59.14 mL)

Supplement Facts

Serving Size 5 drops (approximately 0.16 mL)

Servings Per Container 369

	Amount Per Serving	%DV
Vitamin D-3 (as cholecalciferol)	2,000 IU	500%

Other ingredients: vegetable glycerin, deionized water, citric acid, natural orange flavor, and lemon essential oil.

Suggested Use: 5 drops once daily in a drink.

CAUTION: For children under 12 years of age, or if you are pregnant, may become pregnant, breastfeeding, have kidney, parathyroid or other disease or are taking any prescription drugs, consult your health care professional before using this product.

Sunlight is the source of life on Earth, but we may not be aware of all the ways it benefits us. Our bodies manufacture vitamin D-3 when the skin is exposed to UV radiation from sunlight, but the ability to do so decreases as we age. Vitamin D-3 maintains healthy calcium and phosphorus levels in the body for strong bones; it increases muscle strength in older adults; and it also plays an active role in a healthy immune response. Vitamin D-3 (cholecalciferol) is the optimal form of vitamin D. It is the form of vitamin D that the body manufactures in sunlight, and the form most efficient for the body's needs.*

Do not use if tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
