†Daily Value not established.

Other ingredients: hydroxypropyl methylcellulose (capsule), silica and magnesium stearate.

Contains soy.

Wellness D-munity™ is designed to address the serious problem of vitamin D absorption and utilization, as many people remain deficient despite taking high dosages. A revolution in D supplementation, it combines high-potency sources of D, essential cofactors and liver support nutrients to activate D so it can be used by the body, plus emulsifiers to support the healthy absorption of fat-soluble nutrients like vitamin D. This Bio-Aligned Formula® addresses multiple, inter-related body systems—including respiratory, liver, kidney, cardiovascular, antioxidant and musculoskeletal health—to support the immune system and make sure your vitamin D works hard for you.*

Suggested Use: Two capsules once daily, preferably with a meal.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
