*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: citric acid, sodium bicarbonate, natural black currant juice, natural raspberry flavor, stevia leaf extract, and natural French vanilla flavor.

WELLNESS IMMUNITRIC™ is an advanced daily immune support formula featuring researched amounts of L-arginine and L-citrulline—these amino acids are essential to produce healthy levels of nitric oxide in the body. Nitric oxide helps activate and regulate the body's innate and adaptive immune response and supports cardiovascular and respiratory systems, especially important during times of imbalance.*

Illuminate a new pathway to immune support with WELLNESS IMMUNITRIC™!*

Suggested Use: Mix one rounded scoop (7.4 grams) into 8 ounces of water and stir. Watch it fizz! Add more water if desired. This formula may be taken 1-2 times per day as needed. If used 4 or more days per week for a 3 week period, temporarily discontinue for 1 week before starting again.

WARNING: Do not take if you have had a heart attack or have a history of heart related events. If you are pregnant, may become pregnant, or breastfeeding, consult your healthcare professional before using this product. Consult your healthcare professional if you are taking any prescription medications or you are being treated for any cardiovascular related condition, including blood pressure conditions, or before using in conjunction with other arginine-containing products.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
