CLASSIC STRENGTH

Aqua Biome™ Classic Strength Fish Oil provides daily support for nearly all functions of the human body.* This breakthrough formula was uniquely crafted to improve heart health and support the body holistically through its influence on the microbiome.*

THE MICROBIOME

WHAT IT IS AND WHY IT'S GOOD

"Your gut contains an entire world of microbes, called the microbiome – affecting everything from your mood to immune system. Advancing research reveals the microbiome may be more powerful than your own genes in influencing health."

Dr. Michael Murray

Pioneering expert in natural health & wellness

With every bottle you buy,
you're helping to plant new coral.

With your purchase, Aqua Biome™ donates to the **Mote Marine Laboratory** to plant new coral in the 3rd largest reef system in the world, the Florida Keys.

Each year, coral populations have been dying off, taking away homes and the nutrient base for local marine life.
It's time we turned the tide.
