Chewable Acid Soothe™ offers fast-acting support for occasional heartburn and indigestion.*

- Enzymes support proper digestion of foods that may cause heartburn*
- Zinc Carnosine helps to strengthen the mucosal lining of the stomach, acting as a buffer to gastric acid*

Occasional heartburn and acid discomfort after a meal is often a symptom of impaired digestion as a result of factors including lifestyle and diet.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in a wide range of pH levels, resulting in superior performance in the body.

Keep closed in dry place; avoid excessive heat.

PLEASE KEEP OUT OF REACH OF CHILDREN
