* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Kids Digest™ provides digestive enzymes that help the body break down the components of a meal, like fats, fibers, protein and carbohydrates.* Enzymes are crucial for nutrient absorption, and can also reduce occasional gas, bloating and indigestion from eating problem foods.*

Recommended Usage: Chew 1 tablet at the beginning of each meal.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in specific pH levels, resulting in superior performance in the body.

NO FILLERS ADDED
