

Enzymedica  
Supports

Enzyme deficiencies may result from a combination of age, diet and lifestyle. These deficiencies can lead to a variety of digestive discomforts, including occasional gas, bloating, indigestion and irregularity.

**Digest Basic™** is a gentle formula that breaks down carbohydrates, fats, fiber and protein.\* The enzymes included in **Digest Basic** support optimal digestion by helping the body absorb nutrients and convert food into energy.\* Digestive well-being improves concentration and increases vitality.\*

**Recommended Use:** 1 capsule with each meal. More may be taken as needed. For higher enzyme potency, Enzymedica's **Digest™** or **Digest Gold™** may be helpful.

**Thera-blend™** is an exclusive process that combines multiple strains of enzymes that work in various pH levels. Thera-blend enzymes have been shown to be three times stronger and work more than six times faster than leading digestive supplements.\* For more information, visit [www.enzymedica.com](http://www.enzymedica.com).
