Meijer® Triple Action Joint Health\* is a combination of three important nutrients that help promote joint, cartilage and bone health.\*

**UC-II® Collagen with Undenatured Type II Collagen** is the same protein found in healthy cartilage. Via a patented stabilization process, the cartilage-derived type II collagen is preserved intact.

**Hyaluronic Acid** exists naturally in your joints.

**Boron** helps maintain healthy vitamin D, calcium and magnesium levels for bone health.\*

- Helps support joint mobility, flexibility and comfort\*
- Helps preserve joints and maintain cartilage\*
- Helps support bone health\*
