

Enzyme deficiencies may result from a combination of age, diet and lifestyle. These deficiencies can lead to a variety of digestive discomforts, including occasional gas, bloating, indigestion and irregularity.

Digest Gold™ is an advanced formula that breaks down carbohydrates, fats, fiber and protein.* The enzymes in **Digest Gold** support optimal digestion by helping the body absorb nutrients and convert food into energy.* Digestive well-being improves concentration and increases vitality.* **Digest Gold** is an excellent choice for individuals seeking a high-potency enzyme formula.

Recommended Use: 1 capsule with each meal. More may be taken as needed.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in various pH levels. Thera-blend enzymes have been shown to be three times stronger and work more than six times faster than leading digestive supplements.* For more information, visit www.enzymedica.com.
