Smiles™

## The Benefits of HK L-137 Probiotic

Smiles Oral Health features 12 billion cells per dose of HK *Lactobacillus plantarum* L-137 probiotic, which is clinically shown to support periodontal and immune health.\* As we age, our gums naturally recede and we need to take great care of our oral health, which is crucial to our overall health and quality of life.

PERIODONTAL AGING ➔

**Recommended Usage:** Take 1 quick melt mint at a time, 3 times daily. Wait 1-2 minutes before drinking water.

Keep closed in dry place; avoid excessive heat. Do not use if foil is punctured.

**PLEASE KEEP OUT OF REACH OF CHILDREN**

## Quick Melt Mint

### For best results:

Place 1 mint in your mouth and allow it to dissolve. Enjoy the rush of fresh mint and use your tongue to spread the inner contents along your gums and teeth. Wait 1-2 minutes before drinking water.
