Enjoy Your Life & Live Better!

A key compound in Heartburn Soothe^{†*} is Alginic Acid, which has been scientifically studied to provide immediate results to soothe occasional heartburn.* Other fast-acting ingredients—Betaine and Calcium Carbonate—immediately reduce pH levels to comfortable ranges.* For ultimate protection, Prickly Pear extract helps rebuild your overall digestive tract.*

Developed with Master Researchers

Enzymedica and SRQ Bio, led by the scientists who discovered the first genetic cause of Alzheimer's disease, partnered to develop this formula.

The Enzymedica Difference

Heartburn Soothe^{†*} works differently. Instead of inhibiting your body's actions, it's formulated with natural ingredients that **work with your body** to lessen discomforts associated with occasional heartburn and to promote healthier digestion.*
