Studied Actazin Kiwifruit

Kiwi Flavor

30
RELIEF
CHEWS

Non GMO
Vegan Dietary Supplement

4 Benefits in 1

Improved Regularity*

Not a stimulant laxative – kiwi provides general support for your daily regularity needs.*

Reduced Occasional Constipation*

Kiwi, naturally containing fibers and polyphenols, has been shown to reduce occasional constipation.*

Better Digestion*

A natural enzyme from kiwi, actinidin, helps break down protein in food, making it easier to digest.*

Prebiotic Microbiome Boost*

As a natural prebiotic, kiwi boosts the good bacteria in your GI tract to improve your overall digestive performance.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Recommended Use: Chew 2 relief chews daily. More may be taken as needed, not to exceed 6 daily. Natural speckling may occur.

Not Just Any Kiwi

Grown in the pristine orchards of the kiwifruit capital of the world, Te Puke, New Zealand, the **organic kiwifruit** in Actazin™ are nutrient dense and renowned for their unique ability to support **regular bowel** movements and help alleviate occasional **constipation, bloating and gas**.*

Actazin organic kiwifruit powder is made by filtering kiwis through a proprietary **cold-press process** to preserve nutrients and is **clinically studied** to support **digestive & bowel** health.*
