Lypo Gold™

for **Fat Digestion***

Fat is consumed from a variety of food sources including animal, dairy, and plant. Whether consuming healthy or unhealthy fats, the enzyme lipase is essential for their digestion. When taken with food, **Lypo Gold™** provides a high potency lipase blend to promote quick and efficient fat digestion.*

Optimal digestion is critical for a healthy metabolism to keep you looking and feeling your best! Fast-acting **Lypo Gold** breaks down up to 22 grams of fat in just 30 minutes to help relieve discomfort associated with the digestion of fatty foods.* Enzyme supplementation takes stress off the gallbladder, liver and pancreas and ensures absorption of nutrients from the foods you eat.* Added benefits include cardiovascular support when taken on an empty stomach.*

Recommended Usage: 1 capsule with each meal. More may be taken as needed. For cardiovascular support: 1 capsule three times daily on an empty stomach.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in various pH levels.

NO FILLERS ADDED
