*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

A balanced environment of intestinal flora keeps the digestive system performing optimally, eliminating discomforts like irregularity and occasional gas and bloating.

Pro-Bio™ capsules are formulated to survive the acidic environment of the stomach, ensuring active probiotic function in the small intestine. The bacterial strains contained in **Pro-Bio** have been shown to promote a healthy microflora balance in the intestinal tract, aiding digestion and supporting immune function.*

Recommended Use: 1 capsule daily with water. Best if taken on an empty stomach one hour before or two hours after a meal.
