Premium Ingredients:

N-Acetyl-L-Cysteine **boosts glutathione levels**, a critical detoxification agent and antioxidant.*

Siliphos® A unique "phytosome" form of milk thistle extract. Compared to regular milk thistle extracts, Siliphos **exerts greater absorption and efficacy** in protecting the liver and aiding its structure and function.*

SelenoExcell® A natural food form of selenium, which is a key component of the detoxifying enzyme glutathione peroxidase, which can **assist the body in reducing oxidative stress.***

Additional complimentary ingredients like choline, taurine, licorice extract and schisandra extract are included to **provide critical nutrients** to support liver function and detoxification.*

Did you know?

The liver's main job is to filter the blood coming from the digestive tract. Before passing it to the rest of the body, it also detoxifies chemicals and metabolizes drugs.
