

Directions: Take two capsules twice daily with meals or as often as necessary. For best results, take during the day and take Potent-Bac probiotic at bedtime.

Orega Slow-Release is the only maximum strength multiple spice blend in a natural, gradual-release L-V (vegi) capsule. This natural delivery system ensures that the potent phenolic compounds contained in the wild spice oil blend are delivered to the intestines and colon. Orega Slow-Release contains wild spice oils of oregano, cumin, sage, and bay leaf, a powerful synergistic combination for healthy intestinal support.*
