

SHAKE WELL

This 100% plant derived colloidal mineral supplement consists of a natural assortment of over 70 minerals derived from plants growing through the Eden era. Trace amounts of these minerals are essential for health and vitality.

These minerals are harvested from a plant material known as humic shale in Utah. They are of the same type found in fruits and vegetables. They are nontoxic, water soluble and more easily assimilated than metallic minerals.*

DIRECTIONS: SHAKE WELL BEFORE EACH USE. REFRIGERATE AFTER OPENING. BEST IF USED WITHIN 45 DAYS FROM OPENING. Adults should take 2 to 4 tablespoons daily with meals. We recommend you mix it with your favorite juice. Do not take on an empty stomach.

This product is wheat, gluten, soy, yeast and dairy free.

CAUTION: Pregnant and nursing women should check dosage with their healthcare professional. Keep out of reach of children.

* This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
