

ABSOLUTELY NO FILLERS ADDED

Defenze contains a high potency blend of enzymes that have been studied for their antioxidant qualities. They have been proven to assist in reducing the damage caused by free radicals. With the addition of glutathione this formula represents one of the most potent antioxidants available.*

Recommended Usage: For maintenance: Take one capsule daily on an empty stomach. (1 hour before or 2 hours after a meal). For therapeutic use: Take two capsules twice daily on an empty stomach. More may be taken as needed.

Enzymedica uses an exclusive Thera-blend™ process for its protease, lipase, amylase and cellulase. Each of these enzymes actually represents multiple strains that are blended to increase potency in varying pH levels.
