

## Suggested Use:

Take 2 capsules 1 to 3 times per day with water, or as directed by your qualified healthcare professional.

## Safety Guideline:

Not recommended for use by persons with allergies to bees. In rare cases bee products may cause a severe allergic reaction. If you are unsure of an allergy to bee products, do not use this product unless you are under the supervision of a healthcare professional. Ginkgo may potentiate pharmaceutical MAO inhibitors. Not to be used during pregnancy or lactation. If you have a medical condition or take pharmaceutical drugs, please consult with your doctor before use. Keep away from children. Use only as directed on label.
