

SIMPLY FORMULATED TO DELIVER MORE.

The Benefits Line™ is designed for power. Each formula offers clinically relevant levels of evidence-based nutrients to provide more with less.

Acute Immune Benefits™ is a combination of 2 well researched nutrients for immune system support.* Maitake has been used in traditional Japanese herbals for hundreds of years. Maitake PD-Fraction® is an extract standardized with D-Fraction, one of nature's most comprehensive immune support compounds.* This extract combined with our DMG, which is well-known for its immune-properties and as a promoter of stamina, endurance and energy levels, may play a significant role in maintaining health by supporting the body's immune system functions.*

Color and flavor of this product may vary due to natural variations of the natural ingredients.

Warning: If pregnant or nursing or taking blood thinning medications, do not take this product without first consulting your healthcare practitioner.
