

Suggested Use:

Take 30 drops in a small amount of water, 3-4 times daily or as directed.

Safety Guideline:

White Willow is not to be used by persons using anti-coagulant therapies. St. John's Wort may potentiate pharmaceutical MAO-inhibitors and persons should avoid prolonged exposure to sunlight or phototherapy. Not to be used during pregnancy or lactation. If you have a medical condition or take pharmaceutical drugs, please consult with your doctor before use. Keep away from children. Use only as directed on label.
